

BIGGS – RICHVALE LITTLE LEAGUE

P.O. Box 767

Biggs, CA 95917

Tax ID# 52-1234788

Dear Sponsor,

You have made Biggs Richvale Little League Great Again!! We owe that to you our sponsors and volunteers. Little League is our town's largest non profit organization in terms of participation and we believe has a great impact on our youth and community. As a non-profit organization, BRLL relies completely on the support of our community members and local businesses. Thank you to all of our 2019 sponsors recognized on the second page of this letter. Last year we enrolled 170+ players in our league ranging from tee ball to our older competitive leagues. We expect to continue to grow our league and field more players in the coming season. We expect to have Junior Teams (13-14 year olds) for the first time in several years.

We are excited to share some highlight achievements of the 2019 season:

- Competitive leagues for both baseball and softball. Winners decided last week of season!
- 44 minor boys players was the largest participation in recent history!
- Continued support from the Oakland Athletics and the largest number of local community sponsors.
- Current field improvements continued on both baseball and softball fields.
- Recognition by the District 47 Little League for our facilities.
- Hosting of the District 47 Tournament of Champions for the Minor Boys (8-11) years olds.
- 2020 Master Plan approved. More below...

In addition to the normal annual operating expenses, your sponsorship money was spent on some major improvements with some savings funds set aside to complete our approved master plan.

Projects approved for the 2020 year include:

- Complete New Tee Ball/Coach Pitch Field including: backstop, dugouts, and outfield fence.
- Softball field irrigation and outfield fence.
- New Batting cages, Existing batting cage conversion to concession courtyard
- Continued Team Equipment upgrades to meet Little League Standards.

Currently we are in need of support from the City of Biggs for water source improvements to the City Park to allow the Little League program to have enough water to support the existing and new irrigation and field plans. Please contact our board for more information on this needed support.

The Board has also planned future projects such as bleachers for the coach pitch field and improved lighting (LED) on all fields to ensure safe playing environment and to meet Little League standards.

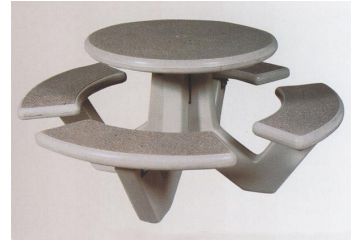

We welcome all of our sponsors during the 2020 season to come down on a weeknight or weekend day to enjoy a game or two at the ballpark and have some awesome food from the *best* concession stand in the entire district. Little League plays such an important role in bringing our community together and we hope to continue to receive your support and help keep our children active and healthy.

Play Ball!

Sincere thanks from the Biggs-Richvale Little League

BIGGS-RICHVALE LITTLE LEAGUE
